**CASE NO.** R2008-0030

**APPLICANT:** James Wade

**REQUESTED ACTION:** Adopt Ordinance to amend Sumter County Land Development Code to allow the platting and individual sale of lots within a recreational vehicle park.

**CASE SUMMARY:**

On August 29, 2008, an application was filed by Mr. James Wade requesting the County amend the Sumter County Land Development Code to remove the prohibition of individual lot sales and allow the platting of lots within recreational vehicle parks. The application was filed pursuant to Section 13-117(c) of the Sumter County Land Development Code for a text amendment to the Land Development Code.

On September 9, 2008, the Board of County Commissioners directed staff to prepare an ordinance to allow for the platting and sale of lots within recreational vehicle parks. Staff prepared the draft ordinance. The delay in the drafting of the ordinance is due to the fact that this application is related to a separate application for an RVPUD for Southern Motorcoach Resorts (R2009-0023). The RVPUD application is moving forward simultaneous with this proposed ordinance. Although this proposed ordinance is related to R2009-0023, this ordinance would apply to all recreational vehicle parks.

The proposed ordinance removes the prohibition on individual lot sales and platting for recreational vehicle parks and provides for the platting of recreational vehicle parks and individual lot sales through the standard platting procedures of the County's Land Development Code and Florida Statutes.

Staff surveyed surrounding counties to find if they allow the platting of recreational vehicle parks. The findings of the survey are: Pasco - Yes; Hernando - Yes; Polk - Yes; Citrus - Yes (condo plat); Marion - No; Lake - No

This ordinance has no impact on the conditions and requirements of an RVPUD for development of a recreational vehicle park. This ordinance simply provides for the ability to respond to changing market conditions where lot ownership within a recreational vehicle park may be preferred to the renting of a lot.

**DIVISION OF PLANNING & DEVELOPMENT STAFF RECOMMENDATION:**

Staff recommends approval of the proposed ordinance.

WHEREAS, Sumter County has seen extensive population growth since the provisions of the Sumter County Code of Ordinances and Land Development Code addressing the record platting of recreational vehicle parks were last revised; and

WHEREAS, the Board of County Commissioners recognizes the need for the option to provide for the record platting of recreational vehicle parks to respond to market conditions;

NOW THEREFORE BE IT ORDAINED by the Board of County Commissioners of the Sumter County, Florida as follows:

**SECTION I: AMEND DEFINITIONS OF RECREATIONAL VEHICLE PUD AND SUBDIVISION.** Chapter 13, Article I, Section 13-41 of the Sumter County Code is hereby amended in that the following definitions of "Recreational vehicle PUD (RVPUD or RV Park)" and "Subdivision" are amended as follows (~~strikeout text is deleted and~~ underline text is added):

*Recreational vehicle PUD (RVPUD or RV Park)* means a tract of land ~~under one ownership and management~~, designed, constructed and commercially operated to provide four (4) or more camping sites and supporting facilities for the accommodation of recreational vehicles and/or tents, ~~for either direct or indirect remuneration of the owner, lessor or operator of such park.~~ The term also includes buildings and sites set aside for group camping and similar recreational facilities. For the purposes of this chapter, the terms "campground", "camping resort", "RV resort", "travel resort", "travel park", and any variations of these terms, ~~shall~~ be considered synonymous with the term "recreational vehicle park".

*Subdivision* means:

- (1) The process, act or land resulting from dividing, separating or splitting a parcel, lot or tract of land into two (2) or more parcels, lots, tracts, building sites or other divisions for the purpose of transfer of ownership, building or other development (whether immediate or future); or

Chapter 13, Article III, Section 13-332(a)(8)(b)(1), of the Sumter County Code is hereby amended as follows (~~strikeout~~ text is deleted and underline text is added):

1. *Purpose and intent.* The purpose and intent of this zone is to provide lands which are suitable for providing camping facilities for the traveling public on a temporary or transient basis, and facilities for "extended occupancy" camping for semi-permanent residents, on relatively large tracts of land ~~under unified ownership or control~~, while encouraging coherent, flexible and creative concepts of site planning which:
  - a) Require that a RVPUD be ~~under unified control~~, and planned and developed in a single development operation or programmed series of development operations for recreational vehicles and related uses and facilities. ~~It is not the intent of these RVPUD regulations to provide for individual lot ownership and therefore no single RV site, or group of sites less than the minimum area required for the RVPUD zone, shall be sold, or ownership transferred in any way at any time.~~
  - b) Establish appropriate standards for the location, development and operation of RVPUDs which provide an environment in which these facilities may be located in an outdoor setting, and to provide a means whereby such uses occurring upon the land will be compatible with surrounding properties.

**SECTION III. RE: amendment of LDR's

Dear Brad,

On behalf of my clients, I hereby request an amendment to the Sumter County Land Development Regulations (LDR's) pursuant to Section 13-117, related to the sale(s) of individual lots, parcels or tracts of a Recreational Vehicle PUD (RV PUD or RV Park).

Currently the existing definitions and terms of the Sumter County LDR's require "unified ownership or control" and development of "land under one ownership and management" and prohibits the sale or transfer of ownership of individual RV sites or lots. Specifically, I am referring to the definition of "Recreational Vehicle PUD (RV PUD or RV Park) in Section 13-41, and the language of section 13-332 (a)(8) b.1. and 13-332 (a)(8) b.1.a).

There is a need for additional flexibility in our LDR's which will allow the sale of individual lots, parcels or tracts in a RV PUD. Apparently such sales are allowed in other counties, indicating a need and demand for such product. This would allow the individual to purchase a parcel for a fixed price, instead of renting or leasing, which will likely produce a more stable and longer term residency. It would also provide for individualized improvements and maintenance, as well as expand the tax base of Sumter County.

Please process this request for presentation and consideration by the appropriate staff, boards and the Sumter County BOCC as required for implementation of this requested amendment.

Sincerely,

JAMES E. WADE, III, P.A.
